

# Work It Back

What you do here can matter to your future.

**You don't need a perfect picture  
of your future.**

**Start with one choice you might  
want someday.**

# Pick a CHOICE

Choose one that sounds good to you.

**Have work I enjoy**

**Support myself**

**Have options and flexibility**

**Help or contribute to others**

# Find an OPPORTUNITY

What could help make your choice more possible?

**Job or career options**

**College, training, or  
certifications**

**Meet and learn from people**

**Lead or take responsibility**

**Try new things**

There is not one perfect answer. Find a connection that makes sense.

---

# Find a **SKILL**

What skill could help you use that opportunity?

**Communication**

**Problem-solving**

**Teamwork**

**Persistence**

**Creativity**

**Time management**

**Learning new things**

---

# Connect it to SCHOOL

Where do you practice that skill here?

**Working with others**

**Writing and communicating**

**Solving problems**

**Meeting deadlines**

**Trying difficult things**

**Learning new information**

**Asking questions**

---

# Look at your chain.

CHOICE → OPPORTUNITY → SKILL → SCHOOL

# School builds skills.

Skills can create opportunities. Opportunities can give you more choices.

**What you do here can  
matter to your future.**
